

The SFB/JSB Joint Symposium Virtual Homepage is Now LIVE!

Here's what you need to know before logging in:

To help make accessing the virtual platform as seamless as possible for our attendees, we've created a checklist with important details and login information below. We thank you for joining us!

Support Information:

Please [click here](#) to test your computer and internet connection prior to the start of the meeting. If you are experiencing issues viewing the meeting, please contact elazarow@biomaterials.org or info@biomaterials.org. The ZOOM PASSCODE for participating in live sessions was sent to you in an email on January 5th from elazarow@biomaterials.org, and is not provided on this website.

Preferred Browser:

The preferred browser for the SFB/JSB Joint Symposium is **Google Chrome**. If you are not operating from Google Chrome, you may experience technical difficulties.

Program Schedule:

All program events are listed in Hawaii Standard Time

Saturday, January 8

- 12:45 PM – 5:00 PM Hawaii Standard Time

Sunday, January 9

- 8:00 AM – 5:00 PM Hawaii Standard Time

Monday, January 10

- 8:00 AM – 5:15 PM Hawaii Standard Time

*Please visit the [virtual posters](#) during the scheduled breaks

** If there is time following the session the the session moderators will allow for Q&A through the Zoom Webinar Q&A function.*
