

# Biomaterials Day at UT Austin

## June 2, 2017

9am-7pm Student Activity Center

Biomaterials Day at The University of Texas at Austin will enhance networking between academic, industrial and government sectors and will increase student exposure to exciting biomaterials research. Students throughout the area, SFB members, and non-SFB members interested in the biomaterials field attend the event. The symposium will include keynote and invited lectures by leading engineers, physicians, and scientists in the field. Oral presentations from both academic and industrial researchers will showcase ongoing research in the region and promote collaboration and knowledge exchange between institutions and industry. Finally, abstracts will be solicited for a poster session that will provide a venue for student research presentations and networking. Poster awards will be given.

### Keynote Speaker

Shelly Sakiyama-Elbert, Chair & Professor, The University of Texas at Austin

### Invited Speakers

Anjan Contractor, Chief Executive Officer & Co-founder, BeeHex

Michael Detamore, Chair & Professor, The University of Oklahoma

Melissa Grunlan, Associate Professor, Texas A&M University

Patrick Kelley, MD & Adjunct Associate Professor, Dell Children's Medical Center, UT Austin

Hyun Jung Kim, Assistant Professor, The University of Texas at Austin

Jordan Miller, Assistant Professor, Rice University

Daniel Siegwart, Assistant Professor, UT Southwestern Medical Center

### Poster Competition and Registration —CALL FOR ABSTRACTS

Undergraduate and graduate students and postdoctoral researchers are invited to submit an abstract for the Poster Competition. **Poster awards will be given. Poster dimensions should fall within 30" X 40."**

**Abstract submission closes on April 28, 2017.**
