## 11<sup>th</sup> ANNUAL BIOMATERIALS DAY: Scaffolding New Ideas

Virtual Gather Town Conference

Friday March 18, 2022

[REGISTER HERE:](https://forms.gle/Kw5fjsxiYG6y6V2t6)

<https://forms.gle/Kw5fjsxiYG6y6V2t6>

## CALL FOR ABSTRACTS

*Prizes for Winners!*

We invite any undergraduate/graduate/post doctoral researchers to submit an abstract to present at Biomaterials day using the form below.

Abstracts will be selected for:

- 15-minute oral talks
- Rapid 3-minute talks

SUBMIT HERE:

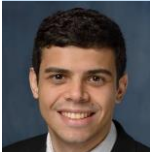

<https://forms.gle/fSAeZUztkp9hqpNLA>

**Dr. Angela Pannier, Ph.D.**

University of Nebraska-Lincoln, Swarts Family Chair of  
Biological Systems Engineering, Biomedical Engineering

**Keynote address:** "Natural Biomaterials for  
Oral Delivery of Nucleic Acids for Therapeutic  
and Vaccine Applications"

**Dr. Mateus Rocha, D.D.S., Ph.D.**

University of Florida, Clinical Assistant Professor, Director of  
The Center for Biomaterials

**Distinguished Speaker:** "Dental Biomaterials:  
an overview of current biomaterials used to  
improve oral health"

**Dr. Jennifer Robinson, Ph.D.**

University of Kansas, Chemical & Petroleum Engineering,  
Bioengineering

**Distinguished Speaker:** "Using biomaterials to  
investigate sex differences in tissue repair"

**Macy Scott**

Medtronic, Usability Test Engineer

**Industry Highlight:** "Engineering the  
extraordinary at Medtronic"

*Abstracts should be no more that 250 words, have an accompanying graphical abstract and be submitted by 11:59 pm on Friday Mar 4<sup>th</sup>*
